Subject: RE: rear lockers

Kim,

“Under Review – Do Not Ship Without Eng Approval” can be removed from the product specifications for the D350-604 and D206-605 rear locker extenders.

Per URF 16-567, it is acceptable to ship existing stock. I’ve verified that current stock is made to the current released dwg and can indeed be shipped without issue. Therefore engineering sign-off is simply a needless delay.

Subject: rear lockers

Hi Chris,

Can you come see me please. I have another rear locker shipping that would need your sign off. Or you can direct me to who else can help me
Thanks

Melanie
